

Congress of the United States
Washington, DC 20515

July 21, 2011

Mr. William Fugate
Administrator
Federal Emergency Management Agency
500 C Street, SW
Washington, DC 20472

Dear Administrator Fugate,

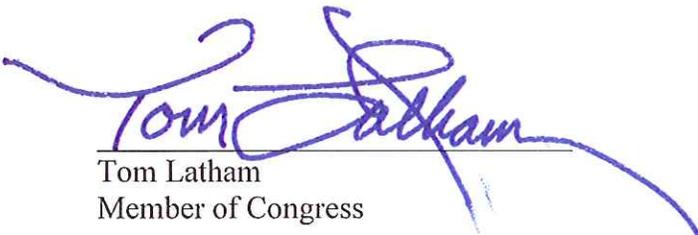

We write today in full support of the request made by the State of Iowa that major disaster declaration 1998 be amended to include Individual Assistance in Fremont, Harrison, Monona, Pottawattamie and Woodbury Counties in Iowa, and we respectfully ask that this request be granted as soon as possible. This request is supported by Joint Federal and State preliminary damage assessments that were conducted to determine the need for individual assistance in these counties. Nearly 200,000 citizens live in the affected counties, and the granting of this request will ensure their access to much needed resources to help them begin the recovery process.

We thank you for your prompt consideration of this request.

Sincerely,

Steve King
