

Click below for the text of a bill Congressman King is introducing this week to repeal the health care bill that passed last night.

Congressman King's statement on his bill is below:

“Today the work begins to repeal Obamacare and restore the principles of liberty that made America a great nation. The American people must take their country back by methodically eliminating every vestige of creeping socialism, including socialized medicine. The Pelosi Democrats will pay a price for their overreach. This fight is far from over.”
