

Washington D.C.- Congressman Steve King (R-IA) announces that his legislation seeking a 100% repeal of Obamacare is being featured today on the “America Speaking Out” website. Visitors to www.americaspeakingout.com can view a video of Congressman King discussing the importance of repealing Obamacare, can register support or opposition to Congressman King’s idea, or can “speak out” by posting comments.

“I encourage Americans to visit the ‘America Speaking Out’ website to vote on my idea to fully repeal Obamacare,” said King. “I believe that the full, 100% repeal of Obamacare should be the top priority of House Republicans going forward, and I am confident that most Americans agree with me. This is an opportunity for Americans to speak to the Republican leadership about the importance of repealing Obamacare, and I encourage them to do so.” □
