

Congressman Steve King today made a packet of information for recently displaced workers available on his website. The packet includes information about rapid response services for laid off workers, Iowa Workforce Development and Department of Labor phone numbers, unemployment insurance, training opportunities and the Worker Adjustment and Retraining Notification Act.

The full packet is available below and can also be picked up at Congressman King's Council Bluffs office, located at 40 Pearl Street, Council Bluffs, IA 51503, or his Sioux City office, located at 526 Nebraska Street, Sioux City, IA 51101.

“Given the current economic crisis, it will take the efforts of all local, state and federal agencies to assist the workers losing their jobs,” Congressman King said. **“I and my staff stand ready to assist those affected. I am confident in the resilience of western lowans. We all need to do all we can to help the hundreds of laid off workers transition into other employment.”**
